

Notts County have issued guidance to supporters attending Saturday's Sky Bet League Two fixture at Meadow Lane (kick-off 12.30pm).

A large contingent of City fans will be heading Trentside this weekend and our hosts have shared the following information.

### **Matchday sales**

- Our supporters will be able to purchase tickets from the cash-only away booth on County Road from 11am

### **Please arrive as early as possible**

- With the away end expected to be busy, turnstile queues are likely close to kick-off
- Turnstiles open at 11am ahead of a 12.30pm kick-off, with alcohol and other refreshments available in each concourse

### **Cashless concourses**

- Only contactless payments are accepted in Notts' concourse kiosks
- Cash can be used at external catering vans

### **Accessing the stadium and finding your seat**

- Our supporters will be located in the Jimmy Sirrel stand
- Check your ticket for the turnstile number and use the correct one for entry, ensuring you have your barcode ready to scan
- Please be advised that search detection dogs will be positioned outside the turnstiles
- Out of respect to your fellow supporters, sit in the seat clearly marked on your ticket. Stewards will be on hand to help you find it should you need assistance
- Retain your ticket for the duration of the match

### **Post-match road closure**

- To assist with the safe dispersal of our supporters, Cattle Market Road and County Road will be closed from full-time until deemed safe to reopen
- Exit from the Cattle Market area on to Cattle Market Road and County Road will also be temporarily prevented from approximately 2.15pm until deemed safe to reopen
- Exit on to Meadow Lane from the Cattle Market area will be unaffected
