

Seating Information

The Upper Tier rows are single letter rows with row A situated at the front of the block and Row X at the back of the block. All Upper Tier blocks in the away section have independent barriers installed and are classed as licensed safe standing areas. Anyone with a ticket issued in the licensed safe standing areas of the away end must agree and adhere to the “**Safe Standing Code of Conduct**” below. Seating and Standing tickets will have the relevant seat type printed on them.

Safe Standing Code of Conduct

When attending the match in licensed standing areas, please:

- *Always have your ticket available for any necessary secondary ticket checks.*
- *Continue to follow the instructions of stewards and other staff, who are there to ensure your safety and an enjoyable experience for everyone.*
- *Behave appropriately in the stand and please be respectful to others. Anti-social behavior or any form of direct or indirect discrimination, victimisation or harassment will not be tolerated.*
- *Do not stand or climb on the independent barriers or seat. The licensed standing infrastructure is there to keep you and other supporters safe.*
- *Unless needing to use facilities, do not move around in the safe standing area – your ticket is for your allocated space only.*
- *Do not stand in the gangways or on the steps to watch the match – these are for accessing and leaving your seat only.*

Lower Tier rows are double lettered rows with Row AA being at the front and Row NN at the back.
